**URGENT**

Tunis, 13 march 2020

## **Urgent communiqué**

As part of the prevention of the Covid-19 coronavirus spread, the Ministry of Higher Education and Scientific Research informs that all missions and internships abroad for all students, teachers, researchers and higher education and scientific research officials are postponed until further notice.

In cases of extreme necessity, missions abroad require a prior authorization from the Ministry of Higher Education and Scientific Research. Anyone returning from risk areas will be quarantined in accordance with the instructions of the Ministry of Health.
