

The Ministry of Commerce of the People's Republic of China (MOFCOM) is inviting high-level officials and professional personnel to apply for academic education programmes under the MOFCOM Scholarship-CSC Programme.

MOFCOM established the MOFCOM Scholarship-CSC Programme to strengthen communication and cooperation between China and other countries as well as develop talent for developing countries.

MOFCOM offers one-year and two-year master's programmes as well as three-year doctoral programmes for the purpose of educating high-end and inter-disciplinary talent working in the applied fields of government, trade, foreign affairs, agriculture, technology, education, culture and health, building intellectual capacity and facilitating the economic and social development of the recipient countries.

These programmes are fully conducted in English and target governmental officials, research fellows, and senior managerial personnel.

For detailed information on the various programmes offered, please visit the MOFCOM website: <https://www.china-aibo.cn/en/info/1005/1396.htm>
